The ground floor of the villa includes an entrance hall leading to a spacious living room and an open kitchen with a dining area. This space is ideal for gatherings and family moments, offering plenty of natural light and a sense of spaciousness. Also on this floor is a bedroom with an en-suite bathroom, an additional toilet, and a storage room, ensuring practicality and functionality in daily life. From the living room, there is access to a covered terrace with a summer kitchen, perfect for warm evenings and enjoyable outdoor gatherings. The terrace leads to a well-maintained garden with an infinity pool, providing luxury and relaxation in the privacy of your own yard.

An elegant staircase leads to the upper floor, where three bedrooms are located, each with its own bathroom, ensuring maximum comfort and privacy for all family members or guests. Two of the bedrooms have access to a terrace with beautiful views of the sea, the Kvarner Bay, and the islands, making these rooms special places for rest and relaxation.

The villa will be equipped with underfloor heating and air conditioning, ensuring a comfortable temperature throughout the year. It is sold on a "turnkey" basis, meaning it will be fully completed and ready for occupancy, but without furniture and floor coverings, allowing new owners to personalize the interior
