For sale is a modern prefabricated house with a living area of 140 m², located on a 540 m² plot. The house offers additional space in the attic, ideal for storage, providing extra functionality. With its layout and design, this home is perfect for family living, while the outdoor space with a pool and parking allows for comfortable living and privacy.

The ground floor features a spacious living room that is open to the dining area and kitchen, creating a bright and airy space perfect for family gatherings and relaxation. There is also a storage room and a small WC, adding to the practicality of the space. On the first floor, there are three bedrooms - two smaller rooms and a master bedroom with a balcony, ideal for enjoying the morning views. The first floor also includes a larger bathroom.

The living room has been pre-equipped for a wood-burning stove, and the entire house has installations prepared for air conditioning, enabling easy installation of heating and cooling systems. Each room on the first floor has its own installations for air conditioning, allowing complete control of the temperature in each room. The house is connected to municipal sewage, water, and electricity, ensuring all essential utilities are available.

The outdoor area features a 33 m² swimming pool, which has the option for heating, as a heat pump installation has been prepared. This addition allows for year-round enjoyment of the pool, regardless of the outside temperature. The property also provides parking space for 2-3 vehicles, and the 540 m² plot offers enough space for a garden, children's play area, or
